

Congregational Profile

“Called Together”

We are a unique Ecumenical Shared Ministry in beautiful Pinawa, Manitoba, Canada, recognized by the Anglican Church of Canada, Mennonite Church Manitoba, The Presbyterian Church in Canada, and the United Church of Canada.

The Pinawa Christian Fellowship (PCF) has served the community of Pinawa for over fifty years, without a church building. We have invested in people and community rather than in property, renting space for all our needs. Worship and children’s programs have generally take place in the F.W. Gilbert School, but during the pandemic we have been renting space in the Lutheran Church when in person worship is allowed. We are currently considering making this a long term arrangement. Gatherings for funerals and large events take place in the school, community center or one of the other Churches as necessary. Our Church Office and Meeting Room is in storefront space in the Sunova Mall at 40 Burrows Road in Pinawa, Manitoba.

Regular Sunday worship was celebrated at 10:00 a.m. in the F.W. Gilbert Elementary School auditorium on Massey Ave. Currently we are meeting at 11:00 in the Lutheran Church. Summer worship between Canada Day and Labour Day has been shared with the Pinawa Lutheran Church since the mid 1990s. Although that pattern has been disrupted by the COVID pandemic,

we have continued to gather using online worship and outdoor worship when public health orders allowed.

Governance

The PCF is a not-for-profit incorporated body. Our General Committee, elected from the membership, oversees the life of the congregation. We honour our connections with the wider church and encourage our members to participate in the life and mission of our parent denominations. Each of the denominations recognizes their members “within” the PCF and recognizes the ministry of the PCF as “their” ministry in Pinawa.

The polity of the PCF is congregational with final authority invested in Members of the congregation when they are gathered in a properly constituted meeting. Each Member present has one vote. Meetings of the Congregation, General Committee meetings, or sub-committees, can be conducted by means of a telephone or video conference or by any means of communication in which all persons participating in the meeting are able to communicate with one another, and such participation shall constitute presence at the meeting.

The congregation is represented by, and invests power in, a General Committee consisting of one representative from each denomination that recognizes the Corporation, the Minister, and members elected by the congregation up to a total of twenty (20) members. Each person elected to the General Committee by the congregation becomes a director of the Corporation and serves for a term of one year. Rather than a Chair, we have group of three to five people which act as a Convenor committee, with one member acting as Senior Convenor on a rotational basis. The Senior Convenor, as chairperson of the meeting, does not have a vote at General Committee meetings, except in the case of a tie. All other members of the General Committee have a vote.

Administration

Those administrative activities not carried out by the minister are attended to by a number of volunteers.

There is a recording secretary for general committee, executive meetings, and congregational meetings. Other committees maintain their own minutes.

A volunteer collects the mail and distributes it to the appropriate person. All incoming mail is recorded.

A group of volunteers comprise the finance committee. They are treasurer, bookkeeper, envelope secretary, collection counters/recorders, collection depositer.

Community Outreach and Social Justice

The Pinawa Christian Fellowship financially supports Mission/Outreach in three ways: 1) direct support of the programs of its parent churches from general revenue, 2) forwarding funds to specific Mission projects as directed on collection envelopes and 3) by the Missions Subcommittee allocating funds received through the "Missions" amounts listed on collection envelopes and PAR(pre authorized remittance) forms to local, denominational, national, and international mission projects.

In 2020 givings to Missions were \$5354 From these plus a carryover of \$780 from 2018 the Subcommittee made the following disbursements: \$600 to sponsor two acres for the MCC Grow Hope Project , \$500 for a Haitian Orphanage through Beausejour's Open Doorways Orphanage, \$1000 to the Canadian Foodgrains Bank split between Cyclone Idai Relief and general overseas programs, \$500 to the United Church Emergency Response for Hurricane Dorian Relief in the Bahamas, \$500 each to the Lac Du Bonnet and Beausejour Food Banks, \$500 to Winnipeg Inner City Missions (Presbyterian), \$500 to Hospitality House Refugee Ministry in Winnipeg, \$500 to the Kenora Fellowship Centre (Presbyterian), \$500 to the Sandy Saulteaux Spiritual Centre (United), and \$96 for the ingredients that many peelers and choppers prepared to make 95 Shepherd Pie concentrated soup pucks for Winnipeg Inner City Missions. \$1122 was carried over to 2021. Other Mission activities in 2019 included the knitting of mittens and other items by the Friday knitting group at the PCF Mall office for various mission and outreach projects and the collection of food donations at the Thanksgiving Service for the Lac Du Bonnet Food Bank.

Missions disbursements from givings of \$4943.00 for 2021 include \$600 to MCC's Grow Hope Campaign, \$500 to the Kenora Fellowship Centre, \$500 to the Winnipeg Inner City Missions, \$500 to the Beausejour Food Bank, \$500 to the United Church Winnipeg Missions (1JustCity) and \$500 to the Primates World Relief and Development Fund for Beirut Explosion Relief. Members of the congregation also serve on the Community Christmas Hamper committee.

Demographics

We are a congregation of approximately 160 members, with weekly attendance being approx. 40-50 prior to the pandemic. Currently we are a more senior congregation, but the community is growing with many young people who grew up here deciding to return home to

raise their family. As well, there are several newly retired persons with much energy to offer the community. There is opportunity to increase our congregation.

Our General Committee and Worship committee both have members representing all 4 of our parent churches.

Financially we support all parent churches through our assessment as well as the United Church mission and service fund and the Presbyterian Sharing, Individual congregants also give to their own denomination as they wish.

Individuals within the congregation provide leadership in a variety of ways, including choir, reading, greeters, placing flowers, serving communion, leading worship, serving on committees.

Faith Formation and Christian Education

The PCF encourages people of all ages to grow in faith. We offer a variety of ways to stretch your mind and heart. “Second Hour” brings speakers and

workshops to the hour following worship. Bible or history study groups are formed to investigate a theme or subject more closely. On the first Friday of the month we host “Dinner and Conversation” with a theme speaker.

Leadership

PCF has strong leadership. As noted in the governance section, the General Committee is comprised of a good cross-section of the congregation. Our volunteers contribute to a variety of our daily/weekly/monthly/yearly needs. These needs are either led by a convener (or convenors) who ensure needs are met. The General Committee ensures that leadership continues during the absence of clergy. Most of the leaders also participate on various committees to ensure we all stay “on the same page”.

Recently, a church couple began a children's ministry after school once a week and it is their wish to continue this once we are on the other side of COVID restrictions.

Speaking of COVID, the General Committee along with the minister and committees have been learning a new set of skills about on-line meetings. Also included in this learning is how to provide pastoral care when not able to meet, or even visit, in person. We expect that these skills will serve us well going forward.

There are sufficient people in the congregation to provide leadership in set-up of our church space and to ensure that sound and video technologies are looked after.

When worship takes place outside the church, there are always volunteers to assist the minister with remote worship outdoors or at senior lodges in the region.

Pastoral Care

Our Congregational Care Committee prepares baskets for shut ins at various times throughout the year. Cards are sent at Christmas to shut ins and former congregational members who have moved away, as well as to members in hospital or recovering at home.

Riverside service

Church services are provided for nursing homes in the region on a rotating basis.

Our church office serves as an open meeting place at times. We have a Tuesday morning coffee time for members of the congregation and community non-members.

A group of knitters meets weekly, luncheon.

and we have a monthly women's

Our minister regularly visits with those in the congregation and the community.

Communication with the congregation is done weekly through an e-newsletter. The news is shared with those without computer capabilities by neighbours and friends.

Worship

The Pastor, working with a worship committee made up of each denomination (and others), will cooperate on liturgy for weekly services. We are a flexible group. Communion (about 6 times a year) is a blend using each denomination's particular rites but is an open table to all that attend worship. Our style of worship is traditional, while incorporating elements found in all our parent denominations. The service includes hymns, prayers, sermon, passing of the peace, and scripture readings

Worship is the central act of our Christian congregation. Week by week, we glorify God together and build up the people of God for service in the world. The Worship Committee is responsible for planning and providing all our regular and special worship services. We ensure that space is rented for worship and practice, any needed supplies are acquired, and people are prepared. We also ensure that worship continues to respect the traditions of our parent denominations while adapting to our unique multi-denominational situation. Some members are designated by the four denominational groups within the congregation while others serve the congregation "at-large".

Music plays an important part of each service. A choir of approximately 15 voices and two directors help to lead singing. Music accompanists rotate using the electric piano, guitar or an accordion. Pinawa is graced with a varied number of musicians skilled in the use of a variety of orchestral and band instruments. Special music occasionally forms part of the service.

Currently we use Voices United as our hymnal but also use a rear projection system that can put words on the screen, if needed. We have added some new copies of Voices United and have purchased copies of the two Mennonite hymnals, Sing the Story and Sing the Journey, for the choir.

A weekly printed paper bulletin is prepared for attendees.

Currently PCF attends and leads 3 services per month in senior's lodges; one in Pinawa, and two in the neighboring communities of Whitemouth and Lac du Bonnet.

Prior to the pandemic, a school gymnasium has been used as our center for worship except during summer when we join with the local Lutheran church and share leadership. We have also conducted worship on the shore of the river and the Pinawa channel. Didn't we tell you that we were a flexible bunch?

There are a group of dedicated folks who set up for Sunday services including arranging the physical space, acting as Greeters, placing flowers, reading scripture and a team who prepare Communion. PCF worship is labour intensive, and we are facing the facts that our pool of

volunteers is getting smaller and is aging. We are working on making the weekly set-up easier, but we still require many able people to transform the gym every Sunday morning.

We gratefully received, and dedicated with prayer, altar candles from St. John's Anglican Church in Lac du Bonnet after their closing. We now light the candles as a sign of Christ's presence as we are called to worship.

Prior to the pandemic we made use of technology with a projector and large viewing screen. This was used during worship services on occasion and during our annual meetings. During the shut down our minister has provided a weekly virtual message which is uploaded to Youtube.

Finances

The Pinawa Christian Fellowship keeps two sets of financial reports. One shows the operating income and expenses and the other is the report for the restricted funds that are designated for a specific purpose such as missions, food banks and memorial and honour fund. The restricted funds report keeps track of the balance in each fund.
